

Free Joint Pain Seminar Scheduled for May 21

FREMONT, NE – May 6, 2008: If you're one of the millions of Americans seeking relief from knee, hip, or shoulder joint pain, consider attending Fremont Area Medical Center's free seminar on Wednesday, May 21, at 7:00 p.m. The hour-long seminar will be held on the 6th floor of FAMC, and will feature Dr. David Buck, Orthopaedic Surgeon with Heartland Orthopaedic and Sports Medicine, who will discuss new treatments and options, including advancements in joint replacement, and answer any questions.

The Joint Center at FAMC is a special unit based on the concept of keeping joint replacement patients together to start their rehabilitation in an atmosphere of education and mutual support.
