May, 2007

Dear Fellow Nebraskans:

As the summer of 2007 approaches, there are many opportunities to apply for appointed positions within state government. A list of the boards and commissions with terms expiring from July through December is enclosed for your review. If you would like specific information about any of these vacancies please contact Peggy King in my office at (402) 471-1971.

An application form is included with the mailing for your convenience. However, another way to submit your application is online at [www.nebraska.gov](http://www.nebraska.gov). Along the left side of the page you will find the link to "Governor" below the "State Agencies" section. Once you have opened the Governor's Office page, click on the link to "Contact Us". Select Board/Commission Appointment Application Form. When you have completed the form, it may be submitted directly on line. You may also call to request that an application form be mailed or faxed to you. Your resume or vita may be mailed or faxed to the office to be attached to your application form. The listing of the vacancies is also posted on this page for future reference.

If you would like to write a letter in support of someone who has applied, this can also be done via the website at <http://www.gov.state.ne.us/mail/govmail.html>. Positive input is always welcome and greatly appreciated. It is helpful for me to have additional background and information on candidates as the applications are reviewed.

As Governor, I am pleased that many qualified Nebraskans are stepping forward to share their time and talent to serve in state government. Thanks for your willingness to be a part of this important process.

Sincerely,

A handwritten signature in black ink that reads "Dave Heineman".

Dave Heineman
