For 35 years, area Kindergarteners have toured Good Sam

GOOD SAMARITAN HOSPITAL KINDERGARTEN DAYS INVITES YOUNGSTERS TO SNEEK PEEK OF HOSPITAL

(Kearney, NE)— For the 35th consecutive year, Good Samaritan Hospital will be hosting hundreds of local school children during Kindergarten Days. April 7, 8 and 9, these bubbly kiddos will be learning and touring at GSH in the hopes that their fears of hospitals and doctors will be alleviated.

Each year, Good Samaritan teams up with Educational Service Unit 10 and Kearney Public Schools to provide this opportunity for youngsters from Buffalo County schools to become a little more familiar with healthcare settings. While they're here, the kindergarteners will check out a hospital bed, get a pretend shot, examine an X-ray, and watch a new video featuring Sam the Moose! They'll also take a quick tour of the Emergency Department, and most importantly, have a chance to ask lots of questions.

###

About Good Samaritan Hospital

Established by the Sisters of Saint Francis in 1924, Good Samaritan Hospital is a 287-bed regional referral center in Kearney, Nebraska. Now a member of Catholic Health Initiatives, Good Samaritan provides specialty care to over 350,000 residents of central Nebraska and northern Kansas. Good Samaritan boasts Nebraska's first accredited Chest Pain Center, a Level II trauma center featuring AirCare emergency helicopter transport, advanced orthopedic care, comprehensive neurosurgery and a cancer program approved by the American College of Surgeons among its many unique tertiary care services.

In the spirit of its founders, Good Samaritan serves not only as a medical facility, but also as a community partner. Good Samaritan is called by its core values of reverence, integrity, compassion and excellence to devote funding and resources to programs and services that benefit the health of the greater community.
