Supplementing Your Needs and Staffing Your Hospital with International Medical Graduates

Webinar #072110-NE

DATE AND TIME

July 21, 2010

1:30 p.m. - 3:00 p.m. CT

OVERVIEW

This program will demonstrate why hospitals should consider recruiting international medical graduates to their facilities. Participants will learn methods for assessing candidates to determine if they are the right fit for the community and hospital. Participants will also learn about resources of where to find qualified and talented international medical graduates. There will be discussion of the visa processes, legal issues and contract arrangements specific to international medical graduates.

TARGET AUDIENCE

CEOs, CFOs, COOs and recruiting directors.

OBJECTIVES

Upon completion of this Webinar, attendees will be able to:

1. Know where to find talented international medical graduate candidates.
2. Identify candidates who have the best change of fitting into practice situations on a long-term basis.
3. Understand the legal processes and contractual issues associated with hiring an international medical graduate.
4. Understand concerns specific to international medical graduates and their families.

FACULTY

Kirk Mathews, CEO & Founder

Inpatient Management Inc.

With more than 20 years of experience in the health care industry, Kirk Mathews is knowledgeable in management, sales, operations, recruitment strategy, physician

compensation and benefits planning. He is committed to high quality health care services in hospitals and health systems, particularly in rural America where he began recruiting physicians two decades ago. As the CEO & founder of Inpatient Management, Inc., Mr. Mathews works with clients in a variety of geographic settings including large metropolitan hospitals, academic medical centers, community hospitals and small Critical Access Hospitals.

Brad Sandler, Attorney

Stinson, Morrison, Hecker

Brad Sandler is an attorney with Stinson, Morrison, Hecker in the General Business Division. Prior to joining the firm, he was with the law firm of Blumenfeld, Kaplan & Sandweiss. Mr. Sandler counsels individuals and businesses on a variety of federal issues such as estate tax, income tax, securities laws and immigration, as well as provides general business and corporate advice. In the immigration area, his practice is focused in the area of employment related visa, both temporary and permanent, working with the manufacturing, software industries, research scientists, physicians, teachers and business executives.
